This color scheme was carried out in the table decorations and strings of tiny electric lights, with wires wrapped with smilax and ferns, extended from the chandelier to the table. The place cards were engraved, and the appointments throughout were complete. It was a fitting final function of the many given in honor of the young couple.

City Hall Bonds Defeated.

In the special election held Wednesday the proposition to issue \$22,000.00 bonds to erect a city hall was defeated by a vote of 317 against and 288 for the bonds, to have. These bonds to have carried would need three-fifths of all votes cast, and thus fell seventy-six short of the required number. The vote by wards was:

	For	Against
First Ward.....	72	70
Second Ward.....	58	39
Third Ward.....	106	60
Fourth Ward.....	52	148
Total.....	288	315

Those favoring the bonds did little, if any work on election day, while the opponents were rather active. It is probable that the strike conditions had some effect on the vote, the voters generally feeling that it is a good time to retrench personal as well as city expenditures.
